Eyen a very temperate mole of living the company development with the company development with the company and the company and

have made Mr. Rickard's statement public.

Mr. Rickard made a personal explanation at the meeting and a long and animated discussion, marked by wild disorder and much execuation, followed. Chaos reigned, anidst which the great mass of shareholders left. Lord Chasterfield then declared the report carried, though the meeting had previously voted to postpone its consideration for two months.

STRIKE NEAR FRISCO.

Wasatch, Northeast of the Horn Silver, Has It This Time.

Messrs. Smith and Litcomb, gentle-men who are operating the Wasatch property northeast of the Hornelit ecat Frisco, came up from the south yesterday afternoon A. J. I and signed a contract fred A. Flindt and S. W. I sures the building of a yeoncentrating mill with eighty tons a day, and own in the contact about forty feet at a high point on the ground and they now propose to go after the ore in the shaft which has been sunk at a point which will give them all of \$2500 feet of stoping ground. The gentlemen feel highly elated over their discovery and believe they have the making of a first class producer.

Frisco is making a great record these days and at the rate at which good mines are now being opened down there another year will bring it out as one of the state's biggest producers. Frisco, came up from the south yester-

To Develop Cache Property.

Ogden, Dec. 7.—The Jackson Mining Company, composed mostly of Ogden men, has arranged to continue development work on its properties in Cache country. The company has increased its capital stock from 7.000 to 300,000 shares, and 90,000 shares are set aside as treasury stock. The company cwns fourteen claims in the Saddle Creek district, and has recently contracted for a tunnel to be driven 300 feet. The Ogden men in the enterprise are T. E. Rowlands, A. B. Shepherd, W. B. Calkins and W. H. Jackson.
